

Each gauge priced below requires a probe custom manufactured according to your individual tank specifications and is priced separately. Please refer to the ORDER INFORMATION sheet.

4K EFG-4000BATTERY POWERED, TOP MOUNT, NO ALARMS \$ 745.00
 GAUGE: EFG-4000R.....BATTERY POWERED, REMOTE MOUNT, NO ALARMS..... \$ 750.00
 EFG-4000R models may require additional wire, part number EFG-3CS, see below.

EFG-8000 Models are Solar Powered (SP) with a recharged battery and a Lithium back-up battery.

EFG-8000 N(SP)NON- ALARM..... \$1245.00
 8K EFG-8000 A(SP)WITH HIGH & LOW LEVEL ALARMS..... \$1345.00
 GAUGE: EFG-8000 I(SP)WITH H & L LEVEL PLUS INTERSTITIAL ALARMS..... \$1395.00
 EFG-8000 I/FS...(SP) SAME AS ABOVE, PLUS FLOAT ASSEMBLY INCLUDED... \$1549.00
 All EFG-8000 models are available to operate indoors or in low light conditions by special order.
PLEASE NOTE: The above 8K prices include a gauge console, 15' of wire, and a transducer.

TO CALCULATE PROBE PRICING FOR YOUR TANK HEIGHT			
Up to 26"	26" up to 72"	72" up to 516"	+ sections
Less than 26" Tank Height Up to 660.40 mm	26" up to 72" (2 to 6 feet) T a n k H e i g h t 660.40 up to 1828.80 mm	72" up to 516" (6 to 43 feet) T a n k H e i g h t 1828.80 through 13,106.40 mm	For low clearance additional sections to standard probes
Each probe is individually quoted	\$130.00 base price for all lengths 26-72" standard build	Over 72" Total length in inches X \$1.88 + \$35.00 Always round up to next full inch of total height of your tank.	\$70.00 per section

OPTIONAL EQUIPMENT

SUGGESTED LIST PRICE

EFG-IAA-F	Interstitial float assembly with 20' wire (without pipe fittings)	\$154.00
EFG-420.1	4-20 mA digital to analog converter box with 4 form "C"relays.....	\$695.00
EFG-420.2	4-20 mA digital to analog converter box	\$395.00
EFG-420.4	Relay isolation box with 4 form "C"relays	\$449.00
EFG-RD1	Remote indoor numeric display indicator, 120v AC	Per tank... \$410.00
EFG-RD2	Remote indoor numeric display + 4 LED indicators, 120v AC	Per tank... \$430.00
EFG-RD3	Remote indoor 4 LED alarm indicators, 120v AC	Per tank... \$270.00
EFG-12V	AC-DC adapter for relay power or low light conditions (USA version).....	\$ 48.00
EFG-3CS	Additional wire (3-conductor, 18 gauge Shielded)	Per foot... \$ 0.85
EFG-RSI.S	Remote Strobe Light....solar powered (USA version).....	\$249.00
EFG-RSI.E	Remote Strobe Light....12VDC powered	\$159.00
EFG-SA1	Remote visual (Large LED) alarm monitor, 9 volt	\$179.00
EFG-S22	Remote visual (Small LED) alarm monitor, 9 volt	\$159.00
EFG-SA1.I	Stand alone interstitial alarm, 9 volt.....NEW	\$249.00
EFG-TXD2-X	Transducer, new style with Test Port (note X=size A-E)	\$530.00

NOTE: Prices subject to change without notice and apply to standard models only. Any deviation from standard materials may result in additional costs. All gauges ordered as a complete gauging system are subject to distributor discount pricing. Individually ordered transducers, probes, and optional equipment may be subject to distributor discounts based on quantities of gauges purchased. Greenleaf Gauge products are sold through authorized equipment distributors. To locate the distributor nearest you, or to become an authorized equipment distributor. Contact Greenleaf Gauge. Phone: 888-884-2843 or 208-453-1714 Fax: 888-884-4145 or 208-459-3365 Online: www.solargauge.com.

See page two for miscellaneous parts pricing

MISCELLANEOUS SPARE PARTS

EFG-4000-G	New gauge display unit without a transducer	\$ 420.00
EFG-8000N-G	New gauge display console without a transducer	\$ 915.00
EFG-8000A-G	New gauge display console without a transducer	\$ 1,015.00
EFG-8000I-G	New gauge display console without a transducer	\$ 1,065.00
EFG-APN	Replacement plate for the 8000N gauge	\$ 45.00
EFG-APA	Replacement alarm plate for the 8000A gauge	\$ 83.00
EFG-API	Replacement alarm plate for the 8000I gauge	\$ 87.00
EFG-8KCB	Alarm connector board, must have gauge serial # to order	\$ 100.00
BT-321	9V Lithium Battery	\$ 12.00
BT-322	9V Rechargeable Battery	\$ 27.00
CAL Wts	Calibration weights	\$ 72.00
EFG-IA-FS-24	Interstitial Float Switch with 24" leads for 1" holes	\$ 70.00
EFG-IA-FS-240	Interstitial Float Switch with 20' leads for 1" holes	\$ 85.00
EFG-AC/DC Int	International power supply	\$ 88.00
EFG-TXD2-A	"A" size transducer with the test port	\$ 530.00
EFG-TXD2-B	"B" size transducer with the test port	\$ 530.00
EFG-TXD2-C	"C" size transducer with the test port	\$ 530.00
EFG-TXD2-D	"D" size transducer with the test port	\$ 530.00
EFG-TXD2-E	"E" size transducer with the test port	\$ 530.00

In most cases the EFG-4000 and the EFG-8000 gauges can be rebuilt. The transducers are NOT re-buildable. If there is ever a question about a transducer and it is under warranty, it must be sent in for credit.

PLEASE NOTE: You must call in or e-mail support@solargauge.com and be assigned a Return Authorization Number (RAN) and mark it clearly on the outside of your box to take advantage of the rebuild service.

EFG-4000-EX	Exchange (with core value determined before rebuilt is shipped)	\$195.00 up to \$485.00
EFG-4000-R	Re-manufactured gauge without core-original serial number required	\$585.00
EFG-4000-CR	Core credit value determined upon return	up to (\$290.00)
EFG-4000R-EX	Exchange (with core value determined before rebuilt is shipped)	\$200.00 up to \$490.00
EFG-4000R-R	Re-manufactured gauge without core-original serial number required	\$585.00
EFG-4000R-CR	Core credit value determined upon return	up to (\$290.00)
EFG-8000N-EX	Exchange (with core value determined before rebuilt is shipped)	\$325.00 up to \$758.00
EFG-8000N-R	Re-manufactured gauge without core-original serial number required	\$858.00
EFG-8000N-CR	Core credit value determined upon return	up to (\$433.00)
EFG-8000A-EX	Exchange (with core value determined before rebuilt is shipped)	\$395.00 up to \$875.00
EFG-8000A-R	Re-manufactured gauge without core-original serial number required	(\$975.00)
EFG-8000A-CR	Core credit value determined upon return	up to \$480.00
EFG-8000I-EX	Exchange (with core value determined before rebuilt is shipped)	\$420.00 up to \$907.00
EFG-8000I-R	Re-manufactured gauge without core-original serial number required	\$1,007.00
EFG-8000I-CR	Core credit value determined upon return	up to (\$487.00)

Do you have a EFG-8000 gauge that the solar cell is slipping down? You may have it rebuilt and upgraded to the current program by shipping it back to us for just \$285.00 plus return shipping charges. If you can't live a day without your gauge, we can ship you a gauge first!
Call us for a quote.
